

## **Cookie Policy**

Our website uses cookies to help provide you with the best experience we can.

Cookies are small text files that are placed on your computer or mobile phone when you browse websites.

Your browser does not need to accept cookies in order for you to view our website. However, the functionality of our website is improved if your browser is set to accept cookies. Cookies stored by this website do not contain any personally identifiable information.

The use of certain third party services can enhance the functionality we can provide to our website visitors, for example by allowing them to share content from our website via popular social networks. They can also allow us to understand how our website visitors use our website, for example by seeing what content is popular and how users navigate our website, in order that we might improve our website in the future.

Google Analytics is a web analytics service provided by Google, Inc. Google Analytics sets one or more cookies in order to evaluate use of our website and compile a report for us. This website does not control the dissemination of these cookies.

We also sometimes share links from third-party websites. When you visit a page containing such content, you may be presented with cookies from these websites. This website does not control the dissemination of these cookies and you should check the relevant third party's website for more information.

Most web browsers allow some control of most cookies through the browser settings. To find out more about cookies, including how to see what cookies have been set, visit [www.aboutcookies.org](http://www.aboutcookies.org) or [www.allaboutcookies.org](http://www.allaboutcookies.org).
